Traffic problems are a big concern in many places throughout the world. **They** can result in a number of negative consequences such as pollution, accidents, economic losses and environmental damage. There are several solutions that may be done in order to solve it, including:

1. Investing in public transportation: Making public transportation more affordable and convenient can reduce individual vehicles such as motorbikes or cars taking part in traffic. This can lead to shorter travel times, less pollution, and improved air quality.

2. Educate road users: Educating pedestrians, cyclists and passengers, etc about traffic safety and congestion can help to reduce the number of accidents and make the roads safer.

3. Using technology to manage traffic: Technology can be used to manage traffic flow, which can help to reduce congestion. For example, traffic lights can be adjusted in real-time to help move traffic more smoothly.

By taking all of these actions, we can make our roads safer and more efficient, and we can help to reduce the negative consequences of traffic problems.

1. What is the best title for the passage?
A. Traffic problems: A global issue and their solutions
B. The history of traffic lights
C. The importance of traffic safety
D. How traffic problems affect our health

2. What word does **"They"** in the second sentence refer to?
A. Big concern
B. Places
C. The world
D. Traffic problems

3. Which one is not mentioned as a traffic problem's consequence in this paragraph? A. Pollution
B. Accidents
C. Delays
D. Environmental damage

4. Why should we invest in public transportation? A. Because it is affordable.
B. Because it can lead to long travel times.
C. Because it can reduce individual vehicles.
D. Both A and C are correct.

5. How can technology help to manage traffic?
A. It educates pedestrians, cyclists and passengers, etc about traffic safety.
B. It reduces individual vehicles such as motorbikes or cars taking part in traffic.
C. It helps move traffic more unsmoothly.
D. It manages traffic flow and reduces congestion.
